Instructions: Regardless of whether you answered "YES" or "NO" with respect to the Non-Statutory Aggravating Factors in Section I above, continue your deliberations in accordance with the Court's instructions and proceed to Section II which follows.

II. MITIGATING FACTORS

Instructions: For each of the following mitigating factors, you have the option to indicate, in the space provided, the number of jurors (from 0 to 12) who have found the existence of that mitigating factor to be proven by a preponderance of the evidence. You also have the option not to make these written findings by crossing out that factor with a large "X", and then continue your deliberations in accordance with the instructions of the Court.

Any member of the jury who finds the existence of a mitigating factor may consider such a factor established in considering whether or not a sentence of death shall be imposed, regardless of the number of other jurors who concur that the factor has been established.
