

DECLARATION OF MATTHEW RUBENSTEIN REGARDING THE GEOGRAPHIC
LOCATION OF FEDERAL CASES, THE FREQUENCY OF AUTHORIZATIONS, DEATH
SENTENCES AND EXECUTIONS AND THE RACE AND GENDER OF DEFENDANTS
AND VICTIMS (REVISED AUGUST 13, 2025)¹

1. I am an attorney in the federal public defender program specializing in the defense of federal capital prosecutions and I collaborate closely with the Federal Capital Trial Project.² I joined the Trial Project in 2010 as a Capital Resource Counsel attorney and was the Director of the Capital Resource Counsel (CRC) project from 2015 to 2025.³ The Capital Resource Counsel

¹ This declaration, originally prepared on August 13, 2025, relies on the data gathered and analyzed by the Federal Capital Trial Project as of that date. This declaration simply adds additional information in paragraph five regarding the number of defendants each Attorney General authorized for a capital prosecution. (Note that as of August 13, 2025, the Project was not yet aware that an additional defendant had been authorized for a capital prosecution by the Attorney General on August 11, 2025.)

² The Trial Project assigns a CRC or FDPRC attorney to work with the defense team in every federal capital eligible case as a “resource counsel.” In their role as resource counsel, the CRC attorneys (full-time salaried federal defender staff) and FDPRC attorneys (part-time contractors) are not counsel of record; rather, they provide advice, assistance, and helpful information and resources to the defense team. In addition to their work as resource counsel, the CRC attorneys often serve as death-qualified “learned” counsel as part of their Project responsibilities; and the FDPRC attorneys are often appointed to serve as “learned” counsel as CJA counsel outside their role with the Project.

³ I have appeared as counsel in the following federal capital trials, *United States v. Robert Bowers*, No. 2:18-CR-00292 (W.D. Pa. 2023) (jury selection), *United States v. Brendt Christensen*, No. 2:17-CR-20037 (C.D. Ill. 2019) (jury selection), *United States v. Gary Sampson*, No. 01-10384-LTS (D. Mass. 2016) (jury selection), *United States v. Wesley Coonce*, No. 6:10-cr-03029-GAF (W.D. Mo. 2014) (trial), *United States v. Naeem Williams*, No. 6-00079-JMS (D. Haw. 2014) (jury selection), *United States v. Connell C. Williams*, No. 11-0298-F (W.D. Okla. 2013) (jury selection), and *United States v. Larry Lujan*, No. 05-924 RB (D.N.M. 2011) (jury selection), personally assisted counsel during capital jury selection in the following trials, *United States v. Sayfullo Saipov*, No. 1:17-cr-00722-VSB (S.D.N.Y. 2023), *United States v. Jessie Con-Ui*, No. 3:13-cr-00123-ARC (M.D. Pa. 2017), *United States v. Naeem J. Williams*, No. 1:06-cr-00079-JMS-KSC (D. Haw. 2014), *United States v. John McCluskey*, No. 1:10-cr-02734-JCH (D.N.M. 2013), *United States v. Alexis Candelario-Santana*, No. 3:09-cr-00427-JAF-1 (D.P.R. 2013), *United States v. Kaboni Savage, et al.*, No. 2:04-cr-00269-MAK (E.D. Pa. 2012), *United States v. Brian Richardson*, No. 1:08-cr-139-CC (N.D. Ga. 2012), and *United States v. Anh The Duong*, No. 01-cr-20154-JF (N.D. Cal. 2010)), and assisted defense teams and prepared counsel for capital jury selection in the following cases that resolved prior to trial, *United States v. John Pearl Smith, III*, No. 3:16-CR-00086-SLG-DMS (D. Alaska 2021) (de-auth and settled prior to trial), *United States v. Jarvis Wayne Madison*, No. 6:17-cr-00015-RBD (M.D. Fla. 2021) (entry of appearance pending when case de-auth and settled prior to trial), *United States v. Brandon Council*, No. 4:17-cr-00866-RBH (D.S.C. 2019), *United States v.*

and the Federal Death Penalty Resource Counsel (FDPRC) projects comprise the Federal Capital Trial Project (or “Trial Project”).⁴ Established in early 1992, a core function of the Trial Project is to provide consultation, training, and assistance to counsel and courts to improve the quality of representation and the cost-effectiveness of defense services in federal capital prosecution cases.⁵ The Trial Project is funded and administered by the Defender Services Office of the Administrative Office of the United States Courts.

Donald Fell, No. 5:01-cr-00012-GWC (D. Vt. 2018) (appeared as counsel, de-auth and settled prior to trial), *United States v. David Hammer*, No. 4:96-CR-239-JHS (M.D. Pa. 2014) (entry of appearance pending when case proceeded as bench trial), and *United States v. Ritz Williams*, No. 4:08-cr-00070-YK (M.D. Pa. 2013) (entry of appearance pending when case de-auth and settled prior to trial).

⁴ The Trial Project assigns a CRC or FDPRC attorney to work with the defense team in every federal capital eligible case as a “resource counsel.” In their role as resource counsel, the CRC attorneys (full-time salaried federal defender staff) and FDPRC attorneys (part-time contractors) are not counsel of record; rather, they provide advice, assistance, and helpful information and resources to the defense team. In addition to their work as resource counsel, the CRC attorneys often serve as death-qualified “learned” counsel as part of their Project responsibilities; and the FDPRC attorneys are often appointed to serve as “learned” counsel as CJA counsel outside their role with the Project.

⁵ The work of the Trial Project is described in a report prepared by the Subcommittee on Federal Death Penalty Cases, Committee on Defender Services, Judicial Conference of the United States, *Federal Death Penalty Cases: Recommendations Concerning the Cost and Quality of Defense Representation* (May 1998), at 28 – 30, http://www.uscourts.gov/sites/default/files/original_spencer_report.pdf [Perma.cc archive: <https://perma.cc/SU25-GWMV>]. The Subcommittee report “urges the judiciary and counsel to maximize the benefits of the Federal Death Penalty Resource Counsel Project . . . , which has become essential to the delivery of high quality, cost-effective representation in death penalty cases” *Id.* at 50.

An update to the Report states: “Many judges and defense counsel spoke with appreciation and admiration about the work of Resource Counsel. Judges emphasized their assistance in recruiting and recommending counsel for appointments and their availability to consult on matters relating to the defense, including case budgeting. Defense counsel found their knowledge, national perspective, and case-specific assistance invaluable.” *Report to the Committee on Defender Services, Judicial Conference of the United States, Update on the Cost and Quality of Defense Representation in Federal Death Penalty Cases* (September 2010) at 63. <https://www.uscourts.gov/sites/default/files/fdpc2010.pdf> [Perma.cc archive: <https://perma.cc/LPH6-K8QB>].

2. In my collaboration with the Federal Capital Trial Project, my responsibilities include reviewing all federal capital prosecutions throughout the United States and overseeing the collection of data on the initiation and prosecution of federal capital cases.⁶

3. Pursuant to these responsibilities, we compiled information regarding: (1) the frequency with which the federal death penalty has been sought, imposed and carried out since 1988; (2) the race of the defendants as to whom a capital prosecution has been authorized; (3) the frequency with which the federal death penalty is authorized and imposed on a regional basis; and (4) the race and gender of victims.

I. FREQUENCY WITH WHICH THE FEDERAL DEATH PENALTY IS SOUGHT, IMPOSED AND CARRIED OUT

4. The Project has collected information regarding all federal executions and all potential and actual federal death penalty prosecutions initiated pursuant to 21 U.S.C. § 848(e) et seq., enacted in 1988, and/or 18 U.S.C. §3591, et seq., enacted in 1994.

5. The Project has tracked death eligible defendants back to 1989. Prior to the 1995 Death Penalty Protocol put into place by Attorney General Reno,⁷ there were 130 defendants

⁶ In order to carry out the duties entrusted to me, I rely on the data gathered by Kevin McNally who served as Resource Counsel with FDPRC since the inception of the Trial Project in January 1992, served as the Director of FDPRC between 2007 and 2018, and continued overseeing the collection of data on the initiation and prosecution of federal capital cases until 2024 when I took over this responsibility. This information is gathered from a variety of sources including PACER case dockets and case filings, transcripts, the Administrative Office of the United States Courts, Department of Justice press releases, Federal Defender offices and CJA counsel, and information gathered by and received from Federal Capital Trial Project Resource Counsel. This information is regularly updated and checked for accuracy. The Project's information regarding federal capital prosecutions has been relied upon by the Administrative Office of the United States Courts, by the Federal Judicial Center and by various federal district courts.

⁷ Prior to the Protocol, which went into effect on January 27, 1995, the Attorney General only reviewed those cases in which a United States Attorney requested permission to seek the death penalty. Potential capital cases where the local determination was not to seek the death penalty were not reviewed by Main Justice. The change wrought by the Protocol was a requirement that all potential death-penalty cases, whether the United States Attorney wished to pursue the death penalty or not, be submitted to Main Justice for review and a final decision by the Attorney General. However, the United States Attorney remained free to enter into a plea agreement specifying a sentence other than death. Attorney General Ashcroft required Main Justice review of all such proposed plea agreements in 2001. The current Department of Justice authorization

reviewed: 8 reviewed by Attorney General Thornburgh (authorized 8), 27 reviewed by Attorney General Barr (authorized 19) and 95 reviewed by Attorney General Reno (authorized 18). After the Protocol was put into place, there have been 5,301 defendants reviewed: 877 reviewed by Attorney General Reno (authorized 162), 638 reviewed by Attorney General Ashcroft (authorized 136), 408 reviewed by Attorney General Gonzales (authorized 88), 19 reviewed by Acting Attorney General Keisler (authorized 1), 163 reviewed by Attorney General Mukasey (authorized 21), 15 reviewed by Acting Attorney General Filip (authorized 2), 987 reviewed by Attorney General Holder (authorized 43), 307 reviewed by Attorney General Lynch (authorized 5), 7 reviewed by Acting Attorney General Boente (authorized 1), 1 reviewed by Acting Attorney General Yates (no authorizations), 349 reviewed by Attorney General Sessions (authorized 22), 54 reviewed by Acting Attorney General Whitaker (no authorizations), 367 reviewed by Attorney General Barr (authorized 14), 20 reviewed by Acting Attorney General Rosen (authorized 1), 32 reviewed by Acting Attorney General Wilkinson (no authorizations), 834 by Attorney General Garland (authorized 1), 1 by Acting Attorney General McHenry (no authorizations) and 222⁸ by current Attorney General Bondi (authorized 17).

6. From this group of 5,431 potential capital defendants, a total of 559⁹ authorizations for capital prosecution involving 558 defendants were issued by Attorney Generals. Thus, the Department of Justice has authorized capital prosecutions involving approximately 10.3% (559/5,431) of the defendants against whom the penalty could have been sought. To date, juries have returned 87 death sentences as to 83 different defendants (or 1.6% (87/5,431)) (four of those defendants were sentenced to death at both an original trial and then, after having their death sentence overturned on appeal, again at a resentencing retrial). Sixteen defendants have been executed, or 0.3% (16/4,983).¹⁰ Thirty-nine defendants were granted clemency. (Thirty-

procedures are found in the Justice Manual, § 9-10.000. These include the criteria for local U.S. Attorneys and the DOJ to determine whether to seek the death penalty.

⁸ This includes the review of prior notices not to seek the death penalty issued by the Department of Justice during the Biden administration.

⁹ There have been 559 authorizations, but one defendant was authorized twice in two separate cases.

¹⁰ Two federal executions took place in the year 2001 (Timothy McVeigh and Juan Garza), one in the year 2003 (Louis Jones), 10 in the year 2020 (Daniel Louis Lee, Dustin Honken, Wesley Purkey, Lezmond Mitchell, Keith Nelson, William Emmett LeCroy, Christopher Andre Vialva,

seven of these thirty-nine clemencies were granted by President Biden near the end of his term in December 2024. President Biden granted clemency to 37 of the 40 individuals then on death row.)

7. There are three (3) defendants presently on the federal death row under an active sentence of death. These cases are in various stages of review via direct appeal or post-conviction proceedings brought pursuant to 28 U.S.C. § 2255. There are fourteen (14) defendants presently pending or in trial who have been “authorized” for a capital prosecution by the Attorney General.

8. To date, juries have sentenced 156 defendants to a life sentence and imposed a death sentence against a defendant 87 times.¹¹ Judges have sentenced three defendants in non-jury trials to life in prison.

II. RACE OF DEFENDANTS AUTHORIZED FOR FEDERAL CAPITAL PROSECUTIONS

9. The racial composition of the pool of 558 defendants whose cases were authorized for a federal capital prosecution is as follows: (A) African-American, 273 (49%); (B) Caucasian, 151 (27%); (C) Latino, 103 (18%); and (D), “other,” 31 (6%). These figures are current as of August 13, 2025.

III. RACE AND GENDER OF VICTIMS

10. In a grossly disproportionate number of cases, juries have imposed the death penalty when the victim was a white female. As of August 13, 2025, 37% (31 of 83) of all individuals sentenced to death during the modern era of the federal death penalty were convicted of killing one or more white female victims but only 6% (163 of 2,966) of the available pool of potential defendants between 2009 and January 20, 2025 (Obama, Trump [45th], and Biden Administrations). The overall authorization rate during the Obama Administration and Trump

Orland Hall, Brandon Bernard and Alfred Bourgeois) and 3 executions occurred in 2021, just before the end of the first Trump administration (Corey Johnson, Lisa Montgomery and Dustin Higgs). Of the sixteen executions, ten of sixteen (63%) defendants killed a white female and fifteen of sixteen (94%) defendants killed a female.

¹¹ As discussed above, four defendants were sentenced to death at both an original trial and then, after having their death sentence overturned on appeal, again at a resentencing retrial. Thus, 87 death sentences have been returned by juries against 83 individuals.

Administration [45th] was 4% (50 of 1308) and 5% (38 of 751), respectively. In white female victim cases, however, the authorization rate during the Obama Administration and Trump [45th], Administration was four to six times higher; 16% (12 of 76) and 30% (7 of 23), respectively. Ten of sixteen (63%) of federal executions have involved white female victims. This is many times greater than one would expect given the pool of white female victim cases.

11. Attached as Exhibit A is a completed data set of all authorized cases as of August 13, 2025.¹²

IV. REGIONAL VARIATIONS

12. Based on figures compiled by the Death Penalty Information Center (current as of August 13, 2025) the states which currently lead the nation in post-Gregg executions are Texas (595), Oklahoma (129), Florida (115) and Virginia (113). The states whose federal districts have the most authorized federal death penalty prosecutions are Virginia (59), New York (53), California (49), Texas (37), Missouri (32) and Maryland (29). Federal districts in the following states have had more than one federal death sentence returned by juries: Texas (16), Missouri (10), Virginia (8), Louisiana (4), North Carolina (4), South Carolina (4), Georgia (3), Oklahoma (3), Arkansas (2), California (2), Florida (2), Illinois (2), Iowa (2), Maryland (2), Massachusetts (2), New York (2), Pennsylvania (3) and West Virginia (2). Of the 87 federal death sentences imposed by juries since 1988, 56 (or 64%) have come from the traditional “death belt” states, the states that have historically executed the most people.

13. The United States Courts system has 94 districts. Of those, 22 districts (or 23%) have never had a case authorized for a federal death penalty prosecution. Attached as Exhibit B is a district-by-district breakdown of federal death penalty defendants.

14. In the First Circuit there have been 10 federal death-penalty cases tried involving a total of 11 defendants, as follows: 3 trials in the District of Massachusetts (3 defendants - 1 life sentence and 2 death sentences), 6 trials in the District of Puerto Rico (8 defendants - 2 acquittals and 6 life sentences). The First Circuit trials, involving 11 defendants, resulted in 2 death sentences (or 18%).

15. In the Second Circuit there have been 23 federal death-penalty cases tried involving a total of 32 defendants, as follows: 4 trials in the District of Connecticut (4 defendants - 1

¹² Exhibit A includes only those cases authorized and completed.

acquittal, 2 life sentences and 1 death sentence), 1 trial in the District of Vermont (1 defendant - 1 death sentence), 12 trials (1 trial was a retrial) in the Eastern District of New York (12 defendants - 11 life sentences and 1 death sentence), 2 trials in the Northern District of New York (5 defendants - 1 authorization withdrawn at trial and 4 life sentences) and 7 trials in the Southern District of New York (10 defendants - 1 guilty plea at trial, 1 acquittal and 8 life sentences). The Second Circuit trials involving 32 defendants resulted in 3 death sentences (or 9%). All three of these death sentences have been vacated in subsequent proceedings.

16. In the Third Circuit there have been 14 federal death-penalty cases tried involving a total of 19 defendants, as follows: 2 trials in New Jersey (2 defendants - one life sentence, the other committed suicide at trial), 6 trials in the Eastern District of Pennsylvania (10 defendants resulting in 1 authorization withdrawn at trial, 3 guilty pleas at trial, 1 acquittal, 4 life sentences and 1 death sentence), 4 trials in the Middle District of Pennsylvania (4 defendants resulting in 1 authorization withdrawn at trial, 2 life sentences by the jury, and 1 death sentence) and 3 trials in the Western District of Pennsylvania (3 defendants - 2 life sentences and 1 death sentence). The Third Circuit's trials involving 19 defendants resulted in 3 death sentences (or 16%).

17. In the Fourth Circuit there have been 48 federal death penalty cases tried involving 72 defendants, as follows: 11 trials in the District of Maryland (13 defendants - 1 guilty plea at trial, 1 lesser included conviction, 8 life sentences by a jury and 1 life sentence by a judge and 2 death sentences), 5 trials in the District of South Carolina (5 defendants - 1 life sentence and 4 death sentences), 20 trials in the Eastern District of Virginia (35 defendants - 1 guilty plea at trial, 2 lesser included convictions, 2 acquittals, 22 life sentences by jury, 1 life sentence by judge and 7 death sentences), 2 trials in the Northern District of West Virginia (2 defendants - 1 guilty plea at trial and 1 dismissal after notice), 2 trials in the Southern District of West Virginia (1 trial resulting in 2 death sentences but a new trial was granted resulting in a guilty plea by one defendant and a life sentence from the jury for the other defendant), 5 trials in the Western District of North Carolina (5 defendants - 1 authorization withdrawn at trial, 1 life sentence and 3 death sentences) and 8 trials in the Western District of Virginia (10 defendants - 2 authorizations withdrawn at trial, 2 acquittals, 5 life sentences and 1 death sentence). The Fourth Circuit's trials involving 72 defendants resulted in 16 death sentences or (22%).

18. In the Fifth Circuit there have been 22 federal death penalty cases tried involving 31 defendants, as follows: 5 trials in the Eastern District of Louisiana (5 defendants - but one

defendant twice - so 6 outcomes) - 1 guilty plea at trial, 1 life sentence and 4 death sentences), 9 trials in the Eastern District of Texas (12 defendants - 5 life sentences and 7 death sentences), 5 trials in the Northern District of Texas (5 defendants - 1 life sentence and 4 death sentences), 2 trials in the Southern District of Mississippi (2 defendants - 2 life sentences), 3 trials in the Southern District of Texas (3 defendants - 1 life sentence and 2 death sentences), 1 trial in the Western District of Louisiana (1 defendant - 1 death sentence) and 2 trials in the Western District of Texas (3 defendants - 3 death sentences). The Fifth Circuit's trials involving 31 defendants resulted in 21 death sentences (or 68%).

19. In the Sixth Circuit there have been 16 federal death-penalty cases tried involving a total of 19 defendants, as follows: 3 trials in the Eastern District of Michigan (3 defendants - 1 guilty plea at trial and 2 life sentences), 1 trial in the Eastern District of Tennessee (1 defendant - 1 death sentence), 2 trials in the Middle District of Tennessee (2 defendants - 1 guilty plea at trial and 1 life sentence), 2 trials in the Northern District of Ohio (2 defendants - 2 life sentences), 3 trials in the Southern District of Ohio (3 defendants - 2 life sentences and 1 death sentence), 2 trials in the Western District of Kentucky (2 defendants - 2 life sentences), 3 trials in the Western District of Michigan (3 defendants - 2 life verdicts and 1 death verdict) and 2 trials in the Western District of Tennessee (3 defendants - 2 guilty pleas at trial and 1 life verdict). The Sixth Circuit's trials involving 19 defendants resulted in 3 death sentences (or 16%).

20. In the Seventh Circuit there have been 7 federal death-penalty cases tried involving a total of 10 defendants, as follows: 5 trials in the Northern District of Illinois (5 defendants - 3 life sentences and 2 death sentences), 1 trial in the Central District of Illinois (1 defendant - 1 life sentence) and 3 trials in the Northern District of Indiana (4 defendants - 1 authorization withdrawn at trial, 2 life sentences and 1 death sentence). In the Seventh Circuit's trials involving 10 defendants, there have been 3 death verdicts (or 30%).

21. In the Eighth Circuit there have been 21 federal death penalty cases tried involving 32 defendants, as follows: 1 trial in North Dakota (1 defendant - 1 death sentence), 3 trials in the Eastern District of Arkansas (4 defendants - 1 guilty plea at trial, 2 life sentences and 1 death sentence), 4 trials in the Eastern District of Missouri (5 defendants - 2 life sentences and 3 death sentences), 2 trials in the Northern District of Iowa (2 defendants - 2 death sentences) (1 death sentence vacated and authorization was withdrawn), 2 trials in the Western District of Arkansas (2 defendants - 1 life sentence and 1 death sentence), 13 trials in the Western District of Missouri

(18 defendants - 1 authorization withdrawn at trial, 10 life sentences and 7 death sentences). The Eighth Circuit's 32 defendants who went to trial resulted in 15 death sentences (or 47%).

22. In the Ninth Circuit there have been 11 federal death-penalty cases tried involving a total of 22 defendants, as follows: 7 trials in the Central District of California (15 defendants - 3 authorizations withdrawn at trial, 2 guilty pleas at trial, 2 acquittals, 6 life sentences and 2 death sentences), 1 trial in the District of Arizona (1 defendant - 1 death sentence), 1 trial in the District of Hawaii (1 defendant - 1 life sentence), 1 trial in the District of Idaho (1 defendant - 1 death sentence), 1 trial in the Eastern District of California (1 defendant - 1 guilty plea at trial), 3 trials in the Northern District of California (3 defendants - 1 guilty plea at trial and 2 life sentences). There were 4 death verdicts returned in the Ninth Circuit in trials involving 22 defendants (or 18%).

23. In the Tenth Circuit there have been 13 federal death penalty cases tried involving 18 defendants, as follows: 4 trials in the District of Colorado (4 defendants - 3 life sentences and 1 death sentence), 4 trials in the District of Kansas (4 defendants - 1 authorization withdrawn at trial, 2 life sentences and 1 death sentence), 4 trials in the District of New Mexico (4 defendants - 2 guilty pleas at trial and 2 life sentences), 4 trials in the Eastern District of Oklahoma (5 defendants - 2 life sentences and 3 death sentences) and 1 trial in the Western District of Oklahoma (1 defendant - 1 guilty plea at trial). The Tenth Circuit's trials involving 18 defendants resulted in 5 death sentences (or 28%).

24. In the Eleventh Circuit there have been 17 federal death penalty cases tried involving 20 defendants, as follows: 2 trials in the Middle District of Florida (2 defendants - 2 life sentences), 1 trial in the Middle District of Georgia (1 defendant - life sentence), 3 trials in the Northern District of Alabama (3 defendants - 1 guilty plea at trial, 1 life sentence and 1 death sentence), 3 trials in the Northern District of Georgia (3 defendants - 1 life sentence and 2 death sentences), 1 trial in the Southern District of Alabama (1 defendant - 1 life sentence), 5 trials in the Southern District of Florida (8 defendants - 3 acquittals, 3 life sentences and 2 death sentences) and 2 trials in the Southern District of Georgia (2 defendants - 1 life sentence and 1 death sentence). The Eleventh Circuit's trials involving 20 defendants resulted in 6 death sentences (or 30%).

25. In the D.C. Circuit there have been 3 federal death penalty cases tried involving 4 defendants, resulting in 4 life sentences, or 0% death sentences.

26. I also have information on the number of authorized federal death penalty cases, since 1988, by the state in which each such prosecution was brought. According to the Project's records, the following compilation accurately sets forth the particular state in which each of the 559 federal death penalty authorizations since 1988 was prosecuted:

Alabama (6), Alaska (3), Arizona (8), Arkansas (7), California (49), Colorado (9), Connecticut (5), DC (17), Florida (17), Georgia (9), Hawaii (2), Idaho (1), Illinois (11), Indiana (8), Iowa (4), Kansas (7), Kentucky (7), Louisiana (14), Maryland (29), Massachusetts (5), Michigan (22), Mississippi (3), Missouri (32), Nevada (1), New Jersey (4), New Mexico (11), New York (53), North Carolina (10), North Dakota (2), Ohio (7), Oklahoma (9), Pennsylvania (24), Puerto Rico (25), Rhode Island (1), South Carolina (5), Tennessee (18), Texas (37), Vermont (3), Virgin Islands (4), Virginia (59), West Virginia (11).

I declare under penalty of perjury under the laws of the United States of America, 28 U.S.C. §1746, that the foregoing is true and correct. Executed October 14, 2025.

/s/ Matthew Rubenstein
