In this section, please indicate, in the space provided, the number of jurors who have found the existence of that mitigating factor to be proven by a preponderance of the evidence with regard to each of the capital counts. You will note each question requires a count of the number of jurors who vote that such finding has been made. If no jurors vote that such a factor has been proven, indicate so by placing a "0" in the space provided.

Your vote as a jury need not be unanimous with regard to each question in this section. A finding with respect to a mitigating factor may be made by one or more of the members of the jury, and any member of the jury who finds the existence of a mitigating factor may consider such a factor established in considering whether or not a sentence of death shall be imposed, regardless of the number of other jurors who agree that the factor has been established.

NOTE: IN CONSIDERING THE MITIGATING FACTORS, YOU MUST KEEP IN MIND THAT EACH MITIGATING FACTOR IS ALLEGED WITH RESPECT TO EACH OF THE CAPITAL COUNTS. IF YOU DETERMINE BY A PREPONDERANCE OF THE EVIDENCE THAT A MITIGATING FACTOR IS PRESENT, THEN IT MUST BE CONSIDERED IN THE WEIGHING PROCESS FOR EACH AND EVERY CAPITAL COUNT.
